DYNAMIC CAREERS IN INDUSTRIAL ENGINEERING

A panel discussion with exceptional Purdue IE's

SEPT. 29, 4:00 PM, GRIS 103

Angela Dodd

Director for Performance Delivery,
Frederick Douglass Entrepreneurial
Development and Leadership Institute

Nathalie Nunez

Vice President of US End to End
Planning, Mondelēz International

Stacey Burr

Digital Product and Innovation exec |
ex-Google, Fitbit, Adidas, Textronics

Tony Orr

Senior Manager of North American
Marketing Equipment Parts
Fulfillment, Pepsico

*This panel is an excellent
opportunity for students
to hear straight from
Industrial Engineering
alumni about how their IE
degree has impacted their
lives and careers.*
