

SCHOOL OF SUSTAINABILITY ENGINEERING AND  
ENVIRONMENTAL ENGINEERING

# ***FEATURE WEEK***

**Monday - 10/6**

## **MEET THE STUDENTS**

From 11:30 am - 1:30 pm in the Lambertus Lobby, come have a sweet treat with EEE Ambassadors!

**Tuesday - 10/7**

## **DISASTERS AND EMERGENCIES**

From 9 - 10:15 am, participate in an emergency response exercise in a EEE grad-level class! Get insights on the engineering, science, and policy challenges associated with disasters and emergencies. Registration required through the QR code, space limited:

## **MEET THE STUDENTS**

Missed us the first time? Still have questions? From 11:30 am - 1:30 pm on Potter Plaza\*, come have a sweet treat with SEE Ambassadors.

## **ALUMNI ZOOM PANEL**

From 5:30 - 6:30 pm, come hear how EEE propelled former students into environmental careers at DKS Associates, Black & Veatch, Fermi National Accelerator Laboratory, Wessler Engineering, Burns and McDonnell - India, Commonwealth Engineers, SRF Consulting, Chewy Inc., and graduate school. Hear them at [bit.ly/EEEEAlumni](https://bit.ly/EEEEAlumni).

**Wednesday - 10/8**

## **RESEARCH POSTER SHOWCASE**

Interested in Undergraduate Research? From 11:30 am - 1:30 pm on Potter Plaza\*, view some of the many projects SEE students have participated in.

**Thursday - 10/9**

## **SEE OFFICE OPEN HOUSE**

From 11:30 am - 1:30 pm, come to POTR 364 (Potter Engineering Center) to meet staff, faculty, and ambassadors to answer all of your questions!

\*If weather does not permit being outdoors, we will meet in Lambertus Lobby
