

MENTORSHIP KICKOFF

Want to enhance your CHE experience? AIChE's Mentorship Program has lots to offer for under- and upperclassmen!

This is a semester-long mentorship program connecting underclassmen with upperclassmen and AIChE. Participants are placed in small groups (1 mentor, 1–3 mentees) and attend 1–2 AIChE social or academic events per month. Mentees gain insight into academics, campus life, and careers while building lasting connections. Mentors complete a brief training before the program begins.

**Wednesday, February 11th at
7pm in WALC 1087**
