Hello Purdue BME students!

*** Please read this email carefully as it contains important information for our upcoming elections for BMES. ***

As many of you know the Biomedical Engineering Society (BMES) is a chapter at Purdue University, which is a student-led society that serves the entire undergraduate class of Biomedical Engineering (BME) students. Our goal is to foster community, collaboration, and professional and academic development at Purdue. With that, applications to become a Sophomore Representative, Indianapolis Liaison, or the Outreach Committee Chair are now all open. We have two rounds of elections each year, with this one being a round of elections just for the Spring of 2025 term.

These positions are available exclusively to students who have paid their membership dues. If you have not yet paid but wish to do so before applying, please contact us for more information. The applications are attached on the flyers above and QR codes below. For more detailed information on each position and their corresponding requirements for application, please refer to the attached PowerPoint slides. Please familiarize yourself and be fully committed to the responsibilities and expectation of the position(s) you apply for before submitting your application.

Sophomore Representative Application:

**** Open to Sophomores located at WL Campus ****

Indianapolis Liaison Application:

**** Open to Indianapolis Campus Students ONLY ****

Outreach Committee Chair:

**** Open to Juniors and Seniors located at WL Campus****
