special prize!**

# Our Mission Statement

Purdue's chapter of the Biomedical Engineering Society is centered around providing students the best opportunities for professional and personal growth during their undergraduate careers, as well as serve as an interface between the administration and students, promote the Biomedical Engineering agenda, and serve as the representative to the student voice.

# Our Structure

PURDUE BMES HAS 4 MAIN PILLARS

# Meet the Professional Development Committee!

**Allison Matovic**

**Director**  
Junior

**Ainsley Gllcrist**

**Chair**  
Junior

**TBD**

**Sophomore Representative**  
Sophomore

# Professional Development

## Committee Goals:

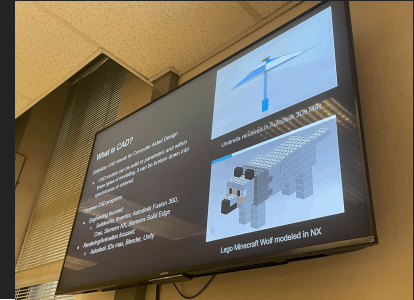

To prepare members for careers in BME fields post graduation.

## Past Accomplishments:

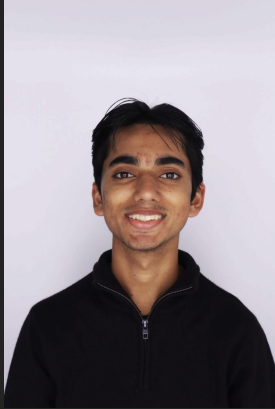

- CAD Workshop
- Orthotics & Prosthetics Info Session
- Ethicon Device Demos
- Warsaw Industry Tour Day

## Upcoming Events:

- Resume Review - 8/29/24
- IR Networking Night - 9/10/24
- Graduate Student Panels

# Meet the Mentorship Committee!

**Saahil Varma**

**Director**  
Senior

**Summer Green**

**Chair**  
Junior

**TBD**

**Sophomore Representative**  
Sophomore

# Mentorship

## Committee Goals:

Provide a student perspective on the BME experience and create a space where new and current students can ask questions and form relationships through monthly informative meetings and by pairing BME sophomores with upperclassmen.

## Past Accomplishments:

- Monthly mentorship meetings on the topics of: How to get involved within BME, BME Classes & Study Tips, Weldon Pathways, Post-Graduate Plans, etc.

## Upcoming Events:

- Meet your Mentors Meeting: **September 25th from 6-7pm in here (MJS 1001)!!**

# Meet the Social Programming Committee!

**Shreya Sinha**

**Director**  
Senior

**Alexis Hawkins**

**Chair**  
Junior

**TBD**

**Sophomore Representative**  
Sophomore

# Social Programming

## Committee Goals:

- Create fun and engaging events to bring the BME community together
- Provide time for decompressing and relaxing amongst the stressful coursework and extracurriculars
- Support students and faculty in cultivating lifelong relationships and memories

## Past Accomplishments:

- Exploration Acres Field Trip
- Tie Dye & Wellness Workshop
- Bowling Night
- BME Spring Formal

## Upcoming Events:

- Outdoor Movie Night
- Ice Cream Social

# Meet the Outreach Committee!

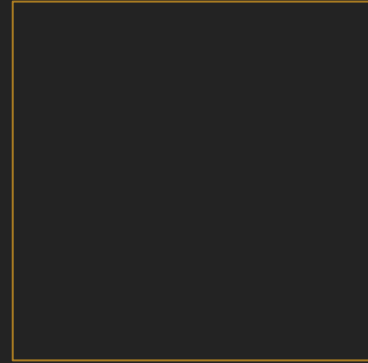

**Sidney Jachimowicz**

**Director**  
Senior

**TBD**

**Chair**  
TBD

**TBD**

**Sophomore Representative**  
Sophomore

# Outreach

## Committee Goals:

- Create opportunities to volunteer, give back, and spread the knowledge of BME in the community

## Past Accomplishments:

- High School Outreach Initiative at Benton Co. High School
- Partnering with Relay for Life

## Upcoming Events:

- Partnering with CoE for volunteer opportunities with local schools

**Who else serves on the  
BMES Board?**

# Meet the External Relations Team!

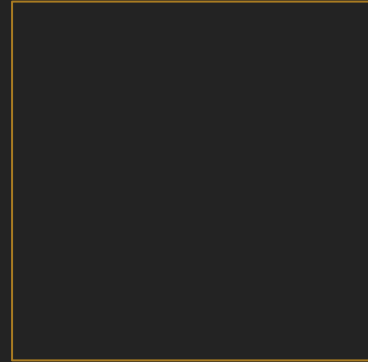

**Nora Mick**

**Director**  
Senior

**Andrew Meacham**

**Chair**  
Junior

**TBD**

**Sophomore Representative**  
Sophomore

# Meet the rest of our team!

**Dalton Aaker**

**Treasurer**  
Senior

**Josephine Schlosser**

**Secretary**  
Senior

**Kianna Gill**

**Director of Marketing**  
Senior

# How to join?

The great news about BMES is once you're admitted into the Purdue BME program, you are automatically granted general access to our events.

**However**, official membership is available to undergraduates of all majors and includes many more benefits with a few simple steps:

1. Fill out a short official sign-up form
2. Pay dues
  - a. \$15 for one semester
  - b. \$20 for both semesters

# Official Membership Benefits

- All majors can participate
- Priority access to all events (including exclusive availability events)
- Priority access to food at all events
- Resume Book Participation
- Access to apply for BMES scholarships
- Access to apply for BMES Executive Board Positions
- Ability to win prizes in our Incentive Program

... and **MORE!**
