

Watershed & Environmental Trivia (W.E.T) Board Game

To Play: Start on the **Sold House**  Roll the die and move that many spaces, with the first space looking like . If you land on a **Green** Square that is a free space, do nothing and wait until your next turn. If you land on a **Red** or **Yellow** Square you must answer a trivia question correctly before you can continue (two tries, one per turn, and if you don't get one correct you can move on your next turn). If you land on a **Blue** square, pick up a blue water card and follow its directions. The first person to make it all the way around town and back home to the **Sold House** wins!
