RE: Possible class conflicts due to athletic competition

This letter is to inform you that the above-named student is a member of the Purdue University Cheer Squad. He/She will miss class on the dates listed below to allow for participation in competitions approved by the Purdue University Athletic Affairs Committee. The Athletic Affairs Committee reports to the University Senate and works with the Division of Intercollegiate Athletics to "preserve and enhance the academic welfare of student-athletes" by reviewing each athletic team's schedule of competitions with respect to criteria that restrict missed class time. The ultimate goal is to minimize the amount of class time student-athletes may miss during the course of the semester.

The student understands that all class responsibilities must be fulfilled and would greatly appreciate the opportunity to make up any coursework he/she may miss due to a scheduled competition. The student has been instructed that it is his/her responsibility to present this information to you in a timely manner so that he/she may discuss with you the possibility of completing any missed coursework and make any necessary arrangements ahead of time.

Thank you for any assistance you may be willing to provide; we appreciate your understanding and support of our student-athletes' academic and athletic endeavors. We are committed to the academic and athletic success of our student-athletes and believe that their overall development will be enhanced by their participation in these extra-curricular activities.

Dates of Competition	Site	Depart	Return
April 9th-10th	Daytona Beach, FL	April 8th at 5:00 a.m.	April 12th at 1:00 a.m.

Thank you for your time; if you have any questions or concerns regarding this matter, or any other concerns regarding this student-athlete, please feel free to contact me at tanya@purdue.edu or 49324.
