

AAE 451 Aircraft Design Fall Semester 2000 Peer Evaluation

Submitted by: _____ Team _____

This form provides a confidential, professional evaluation of each member of your design team. This evaluation is an important experience for you and an important part of the course evaluation for your fellow engineers. Please consider each item carefully.

Rate each member of the team on a scale from 1-6 (with 6 being the highest rating). Do not include an evaluation of yourself. **Submit this evaluation to Professor Andrisani (in his mailbox in the main office) by Thursday, 12/7/00. Failure to hand in this form will result in an incomplete grade for this course.**
