April - June 2000

A quarterly letter to friends of the Breaking New Ground Outreach Program

A letter from the BNG Staff

Dear Breaking New Ground Supporters and Friends,

Enclosed is a brochure announcing a new scholarship opportunity at Purdue. The scholarship is designed to assist students with disabilities pursuing a career in an agricultural-related field. We are bringing this effort to you for two reasons:

- If you know of a student who might qualify, please let him or her know by passing a copy of the brochure along to them.
- If you would like to help make the scholarship fund grow so that it can benefit more students, the brochure provides a convenient way to make a contribution of any size.

Regardless of which way you help, your support continues to be appreciated.

For the past few years we have been hosting a BNG Picnic during the summer. Usually 40-50 people show up for a great time of food and fellowship. This year our good friend Ed Bell has invited us all to his strawberry farm for the same purpose but with the added incentive of fresh strawberries. The date is Saturday, June 3. On the back is a map to help you find your way there. To help us plan on how much whipped cream we will need, please let us know by calling 1-800-825-4264.

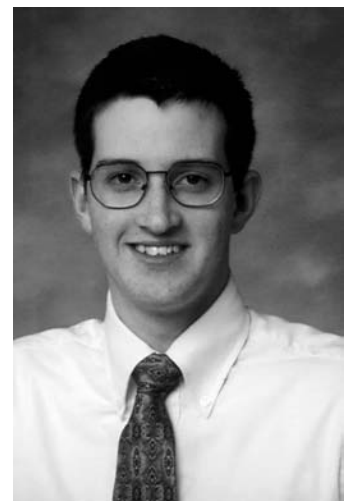

Have a great Spring!
