

On-line instructions for AAE Vomit-Comet travel donations.

NOTE THAT **STEP #7** IS VITAL TO STEERING YOUR DONATIONS TO THE PROPER PLACE WITHIN THE MASSIVE ORGANIZATION WHICH IS PURDUE.

1. Go here: <https://donate.purdue.edu/Menu.aspx>
2. Select “Make a One Time Gift” or “Set up a Recurring Gift/Automated Pledge” as appropriate.
3. In the pull-down for “Select a Designation Area” select “School of Aeronautics and Astronautics”
4. In the pull-down for “Select a Fund” you can leave this as is or select “Student Programs”
5. In the “Other Instructions” box write something like **“Prof. Collicott’s AAE418 zero-gravity travel fund.”**
6. In the Amount box, enter your already-appreciated donation.
7. **In the “Appeal Code” box, enter 015793.** This alone directs your donation directly to the purpose it is intended for. Purdue’s a huge place and so we’d love to avoid ambiguity about the purpose of your donation.
8. Select “Add to my gift basket” and proceed.

Thank you in advance!

The **Appeal Code** will also be needed for corporate matching gifts.
