

2/16/2016 – GSO Meeting

Absent: Mariana (group meeting), Ridade (sick), Taufik (group meeting)

- Sean
  - Murdock all full.
- Arthur
  - Cristina – said should give undergrad ChE organizations a page too if we want to post our events on the Atrium screen.
  - Print out newsletter and slide under graduate student offices. Probably the best option
- Zheyu and Rick
  - Potluck – need to find and reserve a room.
- Han-Ting
  - Intel will be on campus tomorrow.
- Scott
  - Molecular Gastronomy – Will provide \$150. (Probably a Friday early april)
  - Trampoline park – Interdepartmental btwn EPS, BME, and ChE
  - Quiz Bowl – Friday March 4 – 4:30 – 8:30 pm – G124.
  - Pint night week before spring break. – Monday Feb 29<sup>th</sup>
- Jimmy
  - Curry in a hurry
  - Committee meeting
    - Revising qualifier procedure – would like advisor of students to read draft and sign a form for approval.
    - Committee needs to finish grading report 2 weeks before presentation date.
    - Some professors will read and grade everyone's reports. This is for grading consistency.
  - When is a good time for the actual qualifier presentations?
    - Probably during the weekend. Want to shrink entire presentation to 18 minutes. 1-hour time slot.
    - There will be awards for the best presentation and/or report.
  - Graduate professor teaching award
    - Undergrad professors have undergrads to circle professors to vote.
    - Grad students can circle the professors they had and rank them to vote?
  - Conference presentations (External to Purdue) before graduation.
    - Make it required to attend at least once.
- Robert
  - March 2, Wednesday, from 5 – 6 Safety Committee. G124.
    - People from gas company to talk about different gases, cryogenic and gas cylinders, etc. in partnership with REM
- Sydney
  - Colloquium
    - Bowling – 2 drink tickets. 8pm this Friday the 19<sup>th</sup>. Intermingle.
    - Will be at West Lafayette four-point.
    - Email Sydney photos of nature and socials around Purdue for colloquium presentation. (better than statistics)
  - Faculty mentor award
    - No actual submissions yet. Maximum of 400 words. Deadline is March 1<sup>st</sup>.
