

Meeting Friday 7th December 2018:

- Bev present; Aditi, Akriti, Ayşe, Kai, Jessica, Mihit, Kaustabh absent

- **General Discussion**
 - Symposium Save The Date email in March or May?
 - We need to start looking into replacements for GSO 2019-2020
 - W-9 forms may not be needed for award money to employees of institution
 - Need to move GSO stuff (mostly Murdock resources) out of Grad office into current PGSO office in dept. Plan for next sem.

- **Individual Updates**
 - President: David Rokke
 - Will start Speaker search for Symposium 2019 in Jan
 - Some reps gave feedback complaining that 2018 Speaker wasn't industrial enough
 - Town Hall next sem
 - Vice President : Vinny Pizzuti
 - Probably haven't spent more than \$1k since Symposium
 - Still processing Symposium award winners; BOSO wants W-9 forms from winners
 - Outreach : Aidan Coffey
 - For winterization, the management splits up volunteers into groups
 - 3 hours to rake leaves, pile up and clean gutters on 3 houses; almost 2 acres in size
 - Currently, this is organised by a church; so houses are usually church members
 - Maybe next year we should organise independently; consider an elderly council in Lafayette
 - Murdock going strong. To send out sign-up for next sem
 - Planning food bank
 - Last solar rollers had mostly honors students who were real into science. So maybe try for more marginalised sections and those not interested in science
 - Publications: Tony Mathew
 - Publicizing about events on Facebook and Twitter GSO pages
 - An ABE student joined Book Club due to Twitter advertisement
 - Sports: Kyle Weideman
 - Had a few sports teams in intramurals
 - Volleyball, basketball, soccer
 - One team was too small; so joined with a team from MSEE
 - Student Advocacy: Blake Finkenauer
 - Planning Conversations with the Head next sem
 - Will coordinate with Bev
 - Bev Johnson:

- Prospective student for masters coming on Mon for building tour
- TA have been assigned to current 3rd years for next sem
