

Rules and Regulations Governing Use of ECE 270 Lab Facilities (Room EE 065)

1. **Only students who are officially enrolled in ECE 270 are authorized to use these lab facilities.**
2. The lab and equipment contained in lab may only be used for activities related to ECE 270.
3. **At least two people must be present at all times – due to safety and security considerations, no one may work alone.**
4. **No food, drink, or smoking** is permitted in lab ever.
5. The phone in lab may only be used for emergencies.
6. **No equipment may be removed from lab or rearranged within the lab.**
7. **Students using the lab are responsible for keeping it neat, clean, and orderly.**
8. Students using the lab are responsible for promptly reporting equipment problems.
9. Writing on or otherwise defacing the lab furnishings is prohibited.
10. Sitting on anything other than the chairs provided is prohibited, and placing feet on anything other than the floor is prohibited.
11. Locking of computers is prohibited.

Any violation of these rules and regulations will result in **loss of access** to this facility outside of scheduled lab periods. A “zero-tolerance” policy will be applied.
