

NCAUPG Conference 2009 Agenda (subject to change)

Date & Time	Presentation	Speaker
Wed., Feb. 4, 2009		
7:00-8:00am	Continental breakfast	
	<i>Opening Sessions</i>	<i>Moderator: Hussain Bahia Professor University of Wisconsin</i>
8:00-8:15am	"Welcoming Comments"	Mr. Kevin Chesnik Development Administrator WisDOT-Division of Transportation Systems
8:15-8:45am	"National Update"	John D'Angelo Team Leader FHWA
8:45am-9:15am	"NCSC Regional Update"	Becky McDaniel Technical Director North Central Superpave Center (NCSC)
9:15-9:45am	"Wisconsin Update"	Hussain Bahia Professor University of Wisconsin
9:45-10:15am	Break/Exhibits	
	<i>HMA's Changing Economic Paradigm</i>	<i>Moderator: TBD</i>
10:15-10:45am	"Asphalt Pavement Market Outlook"	Jay Hansen Vice President-Government Affairs NAPA
10:45-11:30am	"Quantifying the Benefits of Polymer Modified Asphalt"	Mark Buncher Director of Field Engineering Asphalt Institute
11:30am-1:00pm	Lunch/Exhibits	
1:00-1:30pm	"Warm Mix Plus RAP"	Jonathan Mac Iver Business Development Manager Asphalt Innovations MeadWestvaco Corporation
1:30-2:00pm	"Asphalt Modifiers and Low Temperature Properties of Asphalt Mixtures"	Mihai Marasteanu Associate Professor University of Minnesota
2:00-2:30pm	"Acid Modification"	John D'Angelo Team Leader FHWA
2:30-3:00pm	Break/Exhibits	
3:00-4:15pm	Panel: "Alternate Binder Modifiers"	Marty Burrow Vance Brothers, Inc. Gerald Reinke Mathy Construction Company Herb Wissel Heritage Research Group Rick Senger Seneca Petroleum Company
4:15-5:00pm	"Outlook for Asphalt and Polymer Supply"	Ron Corun Manager of Asphalt Technical Services NuStar Asphalt Refining, LLC
5:00pm	Meeting adjourns for the day	
6:00-7:00pm	Social Hour/Exhibits	
7:00-8:45pm	Banquet dinner	
8:45pm	Adjourn for the day	

Thurs., Feb. 5, 2009		
7:00-8:00am	Continental breakfast	
	<i>Environmental and Sustainable Technologies</i>	<i>Moderator: TBD</i>
8:00-8:30am	“High RAP Content” and “In-Place Recycling Synthesis”	Becky McDaniel Technical Director North Central Superpave Center (NCSC) Joe Schroer Field Engineer Missouri Department of Transportation
8:30-9:15am	“Shingles”	Roger Olson Research Operations Engineer Minnesota Department of Transportation Joe Schroer Field Engineer Missouri Department of Transportation John Bartoszek Payne and Dolan
9:15-9:45am	“Warm Mix Asphalt”	Matt Corrigan FHWA
9:45am-10:15am	Break	
	<i>Recycling</i>	<i>Moderator: TBD</i>
10:15-10:45am	“Illinois Tollway Green Successes on the I-90 Reconstruction/Widening Project”	Steven Gillen Materials Manager Illinois Tollway
10:45am-11:15am	“Foamed Asphalt and Energy Savings in Plant Production”	Greg Renegar Chief Engineer Astec, Inc.
11:15-11:45am	“Acceptance of Recycled Materials”	Thomas Brokaw Materials Laboratory Unit Supervisor Wisconsin Department of Transportation Roger Olson Research Operations Engineer Minnesota Department of Transportation
11:45am-noon	“Where do we go from here?”	Will Stalcup Missouri Department of Transportation Scot Schwandt Wisconsin Asphalt Pavement Association
Noon	Conference adjourns
