## EE595S Project 2:  ACSL Macros

Assigned:     September 2, 2005
Due:          September 9, 2005
Objective:    For the student to gain more familiarity with ACSL.

Specifics:     Work the two sample problems in the 2$^{nd}$ ACSL handout. Deliverables
              include a hardcopy of your macros and your results, on the same scale as
              in the Lab 2 document.
